PARENT INVOLVEMENT & REGISTRATION SIGNATURE

For the success of your child's spiritual life at church

Often a school teacher or sports coach will ask for your help. They know how valuable it is for you to be involved in your child's life and those things that are so important to him/her. Equally valuable is your involvement in your child's spiritual growth and relationships at church. Children love to see parents helping on a Sunday morning or a day during the week. Surely, the success of your child's Christian education at Grace is dependent upon your active involvement. Therefore, the children's leadership team is asking that each and every parent choose one area at church in which to get involved this year for your child. As part of registering your child, please check those areas that may be of interest to you. We will call you with additional details and assist you in choosing just one. Register early by August 24. Place the form in the mail box by the hall outside of Pastor Bob's office, return it to the church office or hand it to one of our children ministry leaders.
