## NO GREATER JOY, RAISING KIDS IN A NOT SO GREAT WORLD - PARENTING SEMINAR

Most Christian parents would join the Apostle John when he says, "I have no greater joy than to hear my children are walking in the Truth" — and yet for many, such joy seems elusive. Spend a day with other parents exploring the importance of Modeling, Molding, and Motivating our children's lives. In addition to the plenary sessions taught by Drs. Paul and Virginia Friesen, a variety of very practical workshops will be led by gifted parent-teachers.
