Follow-Throughs

Monday Numbers 14: 13-19

How does Moses intervene for the Israelites? What do you see as the genius of Moses' argument against God destroying the rebel Israelites? When God makes his final judgment on the Israelites for their rebellion against Him, why did Moses get in between God and the Israelites?

Tuesday Numbers 14: 20-25

Are you surprised God relents? Was Moses able to change God's mind or was plan "B" what God had in plan all along? In what way does God punish the people? What was God going to do to them?

Wednesday Numbers 14: 26-45

The rebellious Israelites would eat their words for 40 years. Have you ever said or done something that God punished you for? For what offense? How did you cope? How did you change as a result?

Thursday Romans 8: 26-27

Friday Hebrews 7: 23-25
