Warm-Ups

**Saturday Numbers 20:1-8**  
Why were the people panicking? Were their reasons for concern legitimate? How did Moses and Aaron respond to the crisis? Is there any crisis of scarcity that you need to bring to the Lord in prayer right now?

**Sunday Numbers 20:9-13**  
What were the differences between what God told Moses to do and what he actually did? How was Moses disciplined for his faulty response? Why was this such a serious matter for God? Pray that the Lord would give you his perspective to see the importance of complete obedience.
